

Now Hiring: Head Boys Basketball Coach — Jennings County High School

Are you a dynamic leader ready to take the reins of a proud basketball program? Jennings County High School is seeking an experienced, high-energy **Head Boys Basketball Coach** who is passionate about building champions on and off the court.

As a 3A program with a strong community following and a rich basketball history, JCHS is ready to elevate its tradition of excellence. We are looking for a coach who can lead a cohesive, development-focused program from youth leagues to varsity competition — someone who inspires athletes, builds lasting culture, and embraces the challenge of long-term success.

What We're Looking for:

- A visionary coach who can organize and oversee a comprehensive K-12 basketball program
- Proven success and experience coaching at the high school or higher level
- Strong technical knowledge of the game and a desire to innovate and grow
- A leader who serves as a role model in character, work ethic, and sportsmanship
- Ability to build meaningful relationships with players, parents, and the community

Why Jennings County?

- A supportive athletic department and administration
- Excellent facilities and a dedicated fan base in a basketball-loving community
- An opportunity to shape a full program — youth, middle school, and high school
- Competitive teaching and coaching stipends available (teaching positions may be open based on licensure)

Application Deadline: Open until filled.

Start Date: As soon as possible for program planning and summer development.

Join a school and community that's ready to rally behind a leader who builds a program the right way.
