Welcome to the 2024 AABC Senior All-Star Games

The Alaska Association of Basketball Coaches would like to welcome the fans, players and coaches to the 2024 AABC Senior All-Star Games. This is an exciting culmination to a great high school basketball career. It is our honor to highlight the talent that our state has to offer and to promote the game, athletes and the coaches.

Over the past 15 years, many companies and businesses have invested money in sponsoring this signature event. They recognize that supporting the youth in our state will pay dividends to the growth of our communities in the future. We would like to ask that you take time to recognize all of our sponsors and support them! Without their generosity, this event would not be possible. In particular, we would like to thank Arctic Slope Regional Corporation and ConocoPhillips. They have loyally supported our mission from the very beginning. We could not do the things we do without your support!

The AABC is committed to upholding this organization's long standing traditions and also forging new alliances that can improve and expand our reach into the future. We were excited to host a hospitality room at the 2024 State Basketball Tournaments. This was a great opportunity for members of our organization to connect. The AABC is not only in charge of this signature All Star event but we also facilitate the All State selections each year! In addition, we pay tribute to athletes, coaches, sports media, and officials who have contributed to the game through our AABC Hall of Fame. Finally, we partner with the Alaska Exposure College Showcase to help our players get a chance to play basketball at the next level.

We take great pride in promoting the great game of basketball in our state, the athletes and the coaches. AABC is proud to induct Carl Arts (Player), Mike Zibell (Coach), Mike Kelly (Official), and Keith Perkins (Sports Media) to the 2024 AABC Hall of Fame. In addition, we have selected Mike Matthews from Su Valley to receive the Roger Steinbrecher Integrity Award. These individuals have had a profound impact in their communities and positively advanced the game of basketball in Alaska. Congratulations to the 2024 AABC Senior All-Stars; we hope you have an amazing and memorable weekend and we wish you the best with whatever life brings you in the future.

Fort Yukon sophomore helps Eagles make school history By Jeremiah Bartz | Frontiersman.com

After years out of the spotlight, a young Fort Yukon squad found a way to fly the Eagles to the top. A team that featured only two upperclassmen won its first girls basketball state title in school history in March.

And one of those young underclassmen in the program has been tabbed as 1A's best.

Fort Yukon sophomore Nellie Ward has been named the Alaska Association of Basketball Coaches 1A Girls State Player of the Year.

"Nellie is consistent," Fort Yukon head coach Josh Cadzow said. "She barely has an off-game. But if she does have an off-game, she finds a way to fight back and get it going."

Ward averaged 18 points per game as a sophomore. She scored a game-high 19 points during a 62-51 win over Newhalen in the 1A girls state championship game.

"She's an all-around player," Cadzow said. "Great shooter, great ball handler, great awareness."

Ward and her twin sister, Jane, are part of the young nucleus on the Fort Yukon squad. Jane, who was named second-team all-state, missed a chunk on the season due to injury.

But Jane returned in time for the state tournament to help Nellie and the Eagles make school history.

"The super twins," Cadzow said. "I'm excited to be coaching

them. They're fun. They're goofy. But most of all, on the basketball court they're consistent."

Both are two-year starters.

Fort Yukon will graduate two seniors, but the remainder of the team are underclassmen.

"We're returning next year as the team to beat with no seniors," Cadzow said.

Tigigak underclassman named 2A's top player

By Jeremiah Bartz | Frontiersman.com

After Jennifer Nash earned the 2A girls top honor as just a sophomore, her head coach, Romona Rock said it is Nash's work ethic that really stands out.

"What makes her different is she's ready to start working for next season now," Rock said, after Nash earned the 2023 honor. "She puts in all of the extra time and effort. She's never satisfied. Her skills, she always wants to keep improving and doing the extra."

Rock was right.

Nash continued to work, and once again Nash, a 5-foot-4 point guard, has received the top honor. The Tikigaq junior has been named the Alaska Association of Basketball Coaches 2A Girls Player of the Year for the second straight season.

Nash recently led her squad to their third 2A state title appearance. They finished second this year, after back-to-back state titles in 2022 and 2023.

Nash scored 19 points during a loss to Metlakatla in the title game. She was big in a semifinal win over Unalakleet, with 20 points, eight assists, five rebounds and four steals. Nash opened the tourney with 27 points, nine steals, seven assists and five rebounds in a victory over Haines.

King Cove senior didn't let injury prevent him from leading his team to a state title
 By Jeremiah Bartz | Frontiersman.com

Jager Sean Brandell enjoyed a monster effort during a big win over Scammon Bay in the 1A state semifinals in March, bagging 27 points, eighth rebounds, four assists and four steals. Late in the game, Brandell suffered a foot injury. It may have slowed the King Cove senior a bit, but didn't stop Brandell from helping his team finish at the top of the 1A ladder.

His minutes were limited, but his presence was felt, and Brandell used a key shot down the stretch to help King Cove win its first boys 1A state title since 2019.

"He was barely able to move in the state finals, but he was able to go in there," King Cove head coach Ken Barbour said. Barbour kept Brandell in the starting lineup, but sent a reserve in for his senior standout about five minutes into the game.

"He was hobbling," Barbour said. "He was more of a mental presence as far as the team goes." Brandell scored four points in the final, but a three-pointer in the second half was one of the biggest shots of the night. "Typical Jager, when we need a bucket he goes down and hits a three. We hadn't scored in quite a while. He kept us in the lead," Barbour said.

Brandell and the T-Jacks held on to beat defending state champion Kake 39-31. After leading his squad to the state title, Brandell was named the Alaska Association of Basketball Coaches 1A Boys State Player of the Year.

"He's a real good athlete with a good basketball sense about him," Barbour said. "If there's a point I needed someone to score, Jager would be the kid I'd give the ball to. He can shoot it, drive inside, post up if we needed him to."

And he's a difference-maker on defense, Barbour said.

"He played the top and created so much havoc," Barbour said of Brandell's role in King Cove's 1-3-1 defense.

Brandell spent the majority of his prep career as a starter. He also ran cross-country for King Cove, and qualified for the Division III state meet twice.

NOTE: These awards & teams are voted on by Alaska basketball coaches who are members of the AABC, ASAA doesn't vote or manage this is anyway.
 ASAA publishes these awards because it recognizes kids who worked hard throughout the season and our partnership with the AABC, ASAA encourages coaches associations.

Described as a 'machine,' Hooper Bay senior drives team to 2A state title game

By Jeremiah Bartz | Frontiersman.com

What is one word that can describe Hooper Bay standout Latrell Lake?

How about "machine"?

That's exactly how an announcer tabbed Lake during a road game in Unalakleet.

"He never takes time off. He gives it his all," Hooper Bay head coach.

Lake powered his team all the way to an appearance in the 2A state championship game, and has also been named the Alaska Association of Basketball Coaches 2A Boys State Player of the Year.

"He's a really great leader, a really good kid on and off the court," Green said.

Lake also earned first-team all-state honors for the second straight year.

Lake was Hooper Bay's point guard, and used all over the floor on the defensive side.

"Whatever matchup we have, he'll play," whatever matchup we need, he'll do whatever it takes to win."

Green said Lake can take over a game offensively, but there is more than just scoring.

"The kid can create his own shot, but what really makes him happy is when he creates shots for his teammates. That's what gets him going."

Lake drove his team into the state title game in March with a 17-point, 6-assist effort during a win over Metlakatla. Both totals were team highs. He notched a double-double in the quarters, with 21 points and 10 rebounds in a win over Unalaska.

Lake served as a three-year starter for the Warriors.

"I knew he was going to be a good player," Green said. "I knew he had talent as a young player growing up. You see in certain kids how they love the game."

Lake was also a cross-country standout in high school. As a senior, he won an individual region title and placed 10th in the Division III state championships.

Keith Perkins

Mr. Perkins officiated high school basketball for some 25 years, being honored to officiate many Region V and ASAA state tournaments during that window of time. He had the honor of having been selected for state tournaments in the 2 man crew days running state basketball tournaments with the likes of Hall of Famers Jim Paxton, Don Kassube, enjoying being around the game of basketball as a basketball referee. He enjoy officiating many title games at the region and state level over those years.

He has been the head of the Sitka Referees Association for some 30+ years, leading its weekly training most of that time leading the local association to grow to well over 30 officials in our weekly meetings. He continues that role even though a serious knee injury while officiating a basketball game ended his ability to run the court well over a decade ago. He also does the weekly training meetings and assigning for the additional sports of volleyball, basketball, and baseball – sports that he continues to officiate. He continues to be selected to officiate at the regional and state level in both baseball and volleyball.

Mr. Perkins serves as the Officials Liaison for the Region V Basketball tournaments. His duties are to manage the officiating crew, scheduling officials for the entire tournament as it relates to the officials' game assignments. He likewise is responsible for doing so in the other high school sports at those Region V tournaments.

And since his knee injury, he found another way to assist in basketball as a courtside public address announcer – an additional role he enjoys doing for the student-athletes of SE Alaska. Sitka High School asked him to do pregame player introductions in that first year of not being able to run the court as he was always at games watching his Sitka referees. For the past near fifteen years now, he

occupies a seat courtside at Sitka and Mt. Edgecumbe basketball games as their in-season courtside public address announcer, and in his role as the Region V Officials Coordinator position, he now also is that courtside announcer at the Region V Basketball tournament typically for every game of the tournament, helping dress up the atmosphere for the student athletes and the fans. Something he enjoys doing – helping the event have a great atmosphere.

His role across SE Alaska high school sports is now also the Region V's Officials Coordinator for four different sports – basketball, volleyball, baseball, and softball – helping as he can with regional and local officiating needs and facilitating trainings, as well as working with local officials and Activities Directors in recruitment of officials. He has held this position for the past 5+ years to help officials and AD's across SE Alaska.

Selection Committee. He has also been recognized by the Alaska School Activities Association for his sustained commitment to student athletes through his officiating, his courtside announcing, and his continued to efforts with the high school officiating world in SE Alaska, as nominated to ASAA by the Region V. He also served as a volunteer assistant coach for Sitka High School when he returned home from Oregon State University in the early 1980's.

COACH

Mike Zibell

Mike Zibell coached boys' basketball at Noorvik Aqqaluk High School a total of 18 years between 1995 and 2020. He coached his teams to 15 ASAA state appearances resulting in seven state titles (6 at the 1A level, and one at 2A) and two 2nd place finishes. Noorvik went back to back in 1996 and 1997, and won three titles in a row from 2005 to 2007. Mike received coach of the year honors in 2006 and in 2007. Zibell compiled a 272-86 career record, with a 58-9 record during the postseason. In 2015 he was inducted into ASAA's High School Hall of Fame.

Noorvik's teams during Zibell's tenure were built on the concepts of basketball fundamentals, individual and team discipline, and the willingness to sacrifice for the good of the team. As a coach, Zibell believed he could learn something from anyone and that a constant effort to learn breeds success.

Mike Kelly

Mr. Mike Kelly started his officiating career in the fall of 1978. After graduating high school, the only way to stay involved with high school basketball 🏀 was to become an official. Kelly wanted to give back to the sport that he fell in love with and provided him so much enjoyment throughout high school and into his adult life. He officiated basketball 🏀 for the love of the game and the competition of the kids. He was the head of basketball 🏀 officials in Juneau for over 30 years. That

meant he was in charge of training new officials, rule interpretation, and answering all the questions other officials would come up with, and game assignments for high school officials. Kelly was fortunate enough to officiate several regional and State Tournaments. He also umpired high school baseball ⚾ for numerous years. He was fortunate enough to umpire a few State Tournaments in baseball ⚾ as well. He was also an assistant coach for the 2012 State Champion baseball ⚾ team from Juneau Douglas High School.

Call Sophie Lentfer Grace Christian's version of a Swiss Army Knife.

Why?

Because she does everything.

"She's a very diverse basketball player," Grace Christian head coach Pete Johnson said. "This year she can run the one through the five. All five positions, and she can dominate any one of those positions."

And that's what separates her from the pack, according to Johnson, who just watched Lentfer help lead the Grizzlies to their second straight 3A girls state title.

Now, Lentfer has another piece to add to the trophy case. The Grizzlies standout has been named the Alaska Association of Basketball Coaches 3A Girls State Player of the Year for the second straight season. Lentfer was also named the Gatorade Alaska Player of the Year, the top nod for athletes in all four of Alaska's classes.

Johnson said the recognition is a tribute to Lentfer's continued work to elevate her game each year.

"The biggest part is the mental approach to the game," Johnson said. "She's mentally tough."

This year, Lentfer averaged 21 points per game while leading the Grizzlies to 21 wins during the regular season. The 6-footer also chipped in 9.3 rebounds, 3.0 steals and 2.3 assists.

Lentfer notched a double-double during a tough 35-27 win over Barrow in the 3A state title game, with 13 points and 10 boards.

Johnson said Lentfer is also a model student who has excelled

in a school with high academic standards. She's boasting a 3.97 grade point average.

And Lentfer's only a junior. Johnson said the now two-time defending state champs are elated about a future that includes not only Lentfer, but junior Ella Boerger (first team), sophomore Poppy Wiggers-Pidduck (second team) and sophomore MJ Van Der Horst (third team) who were all tabbed by Alaska coaches as among the top 15 3A girls in the state.

Lentfer is also part of a prominent Anchorage basketball family. Her father Jeff, a former Service standout, was the Alaska Boys Gatorade Player of the Year in 1991. Her brother Luke was the AABC 3A boys player of the year in 2022 and her cousin Sloan earned the honor in 2023. Luke and Sloan both starred at Grace. Sloan is playing for his hometown team, UAA. Luke shifted to the field and is a freshman on the Army rugby team.

** Please visit the AABC website for Players and/or Coaches of the year prior to 2000.

Colony standout Hallie Clark logged nearly 700 minutes during her junior season, good enough for about 29 minutes a game. But Clark's work does not stop there. "The time she puts in. That's what distinguishes her from other players," Colony head coach Chandice Kelly said. "She's a gym rat, a 100 percent gym rat. I am so lucky to have her and so proud of her."

And that has helped Clark earn a spot as one of Alaska's best.

Clark has been named the Alaska Association of Basketball Coaches 4A Girls Player of the Year.

"Hallie is a one-of-a-kind player any coach is proud to have," Kelly said. "She wants to be the best. I think everyone across the state recognizes that. The kid puts in the work."

Clark averaged 21.4 points as a junior, while adding 5.0 rebounds, 4.4 assists and 3.2 steals per game. Clark, who was also named first-team all-state for the third straight year, has already passed 1,500 career points. She's the third Colony girls basketball player in school history to earn player of the year honors, joining legends Jessica Moore (1999 and 2000) and Megan Irvine (1995).

"She has shown throughout the last three years that she is the real deal, and she continues to put in the work," Kelly said.

Clark's evolution as a player includes leadership, Kelly said.

"Her leadership skills have really shined through this year," Kelly said.

Clark helped Colony earn the top seed in the 2024 4A girls state tournament, and a second-place finish overall in the tourney. She is one of three Mat-Su players to earn a spot on the 4A girls first team. Wasilla juniors Layla Hays and Mylee Anderson were also named to the first team.

NOTE: These awards & teams are voted on by Alaska basketball coaches who are members of the AABC, ASAA doesn't vote or manage this is anyway.

ASAA publishes these awards because it recognizes kids who worked hard throughout the season and our partnership with the AABC, ASAA encourages coaches associations.

Roger Steinbrecher Coaching Integrity Award

The Roger Steinbrecher Coaching Integrity Award is given to Michael Matthews for demonstrating outstanding sportsmanship, leadership, camaraderie, and respect.

Michael Matthews
2024 Roger
Steinbrecher
Coaching Integrity
Award Recipient

Michael Matthews is currently retired from a career of educating and coaching. Matthews graduated from Baker High school in Baker City Oregon, went on to earn a degree in biology and pre-med from Seattle Pacific University, his teaching cert was through University of Alaska Fairbanks and his masters degree in Educational Administration from National University in La Jolla, California. Math and science disciplines were the primary teaching assignments but employment in rural Alaska requires flexibility so he taught nearly every subject inside and outside of the curriculum. Cooking classes to budgeting, Eastern hemisphere to trigonometry, anatomy and physiology to pre-calculus, almost everything under the sun. The coaching career that Matthews was involved in focused on the basketball realm, but included native youth Olympics as well as track and field.

Matthews is a servant and follower of Jesus Christ whom coach Matthews seeks to glorify God in everything he does. Mike is a blessed husband to the incredible love of his life Beth Valentine. They will be celebrating 36 years of marriage this coming September. Matthews is a thankful father of four amazing adult children Teslin 32, Paxson 31, Dawson 26 and Ruby 24. He was able to experience raising them all in Talkeetna where he had the opportunity to teach them in high school, math and science classes, as well as coach them in their basketball careers at Susitna Valley. The boys are engineers, both civil and biomedical and the girls are involved with business and social work.

Matthews and his bride, Beth, continue to reside in Talkeetna, Alaska. Since retiring they've been blessed to be able to incorporate a great deal of travel experiences. Most recently they have kept warm this winter during the 40 below temperatures by being in Mexico, and on the coast of the Sea of Cortez. This April they will be traveling together to Africa where Mike will be pursuing a few of his passions including experiences in nature and the creation. The

safari adventure will include hunting both Cape Buffalo and leopard in the country of Zimbabwe.

Mike's career recap includes 30 years as a math and science middle and high school teacher, coaching middle school and high school basketball for 30 years. Those years began with coaching the boys basketball team in Sandpoint, Alaska. It led into moving to the Talkeetna area where he coached girls and boys middle school basketball team. The progression led him into head coach for the boys JV and varsity at Su Valley Jr/Sr High School. He has countless blessings of his career, but the richest rewards were building lifelong relationships with teaching and coaching colleagues and being involved in young people's lives to mentor and encourage them into becoming loving, healthy, thankful, hardworking and and productive men and women.

The AABC Integrity Award is given annually to an Alaskan coach who has demonstrated the following ideals/characteristics:

Sportsmanship- behavior that is ethical, appropriate, polite, and fair. He/she has followed all of state athletic association rules, and is gracious in victory or defeat.

Leadership- teaches life lessons and model's character traits like honesty, respect, and personal responsibility.

Camaraderie- is a positive force in the coaching community whose interactions with fellow coaches help to promote fellowship and the game of basketball.

Respect- consistently maintains a positive approach in his/her interactions with their own team, game officials, opposing players/coaches, and fans.

Grace Christian School graduated nine seniors after the Grizzlies won a 3A boys state in 2023. Most teams would call the following season a rebuilding year. But Grace Christian's lone senior, Kellen Jedicka, helped keep the Grizzlies among the top tier of teams at the 3A level.

He also emerged as a top talent. Jedicka has been named the Alaska Association of Basketball Coaches 3A Boys Player of the Year.

"I think he's kind of grown into where he's always been pretty unassuming and kind of takes the game where it comes to him. Whereas this year he's the only real returner. He's going to have to be much more assertive," Grace head coach Jason Boerger said.

And that's what Jedicka did. He took charge and became the leader. Jedicka guided the Grizzlies to the Peninsula Conference title and the 3A state semifinals.

"The most surprising thing was how much he'd breed confidence and trusted the younger guys. I think that helped him empower them and lead to their growth. I believe our guys grew a lot because he kept believing in them, passed to them and kept encouraging them," Boerger said.

Jedicka averaged 24 points, 7.8 rebounds and 4.4 assists during the regular season and conference tournament.

"He's an extraordinarily high level passer and has got a great basketball IQ," Boerger said. "He really understands his body in space, and was able to collect himself and finish around the rim, which is pretty elite as well."

In addition to being named MVP of the Peninsula Conference, Jedicka was also tabbed as the Gatorade Alaska Boys Basketball Player of the Year, which spans all four classes of Alaska hoops. Jedicka has also earned a 3.98 grade point average in the classroom. He is set to play at the next level at Lewis-Clark State College in Idaho, where former Grizzlies standout Tobin Karlberg is an assistant coach.

"I'm thrilled for Kellen. He definitely put in the work," Boerger said.

Two titles and a top honor: East junior is 4A's player of the year

By Jeremiah Bartz | Frontiersman.com

A quick look at Muhammed Sabally's prep basketball resume during his time with the East Anchorage Thunderbirds.

Three 4A state title game appearances.

Two state championships.

Now a player of the year honor.

And he's only a junior.

After leading the Thunderbirds to back-to-back state crowns, Sabally has been named the Alaska Association of Basketball Coaches 4A Boys Player of the Year.

"You can't count too many kids who have accomplished those things through their junior year," East head coach Chuck Martin said. "You can pretty much count them on one hand, by their junior year they've already won two state championships, and now they're the player of the year."

Sabally was stellar throughout the 2024 state tourney. He was good for 23 points and nine rebounds during a win over Thunder Mountain in the title game. He scored 15 in the quarterfinal victory over Palmer. In the semis, Sabally scored 13 against Monroe Catholic, and had arguably East's biggest bucket during the tournament.

Late in the game with the T-Birds leading by just one, Sabally picked the steal at midcourt, and drove to the basket for the easy layup.

"That was a game-winning play," Martin said. "We were up by one, but we were in a situation where the game's in the balance and it ends up being the play of the game because Monroe doesn't really get close to us after that play."

Martin said sabally is the type of player who is always there for his team.

"He's the kind of kid who really does impact every night whether he's at the top of his game or not," Martin said.

Sabally has been part of an East nucleus that also includes senior Akeem Sulaiman, who was first-team all-state for the second straight year. Sabally was part of the rotation as a freshman when the T-Birds finished as the runner-up. He was also part of East's 32-game winning streak.

I have attended the Alaska Exposure College Showcase camp for the last seven seasons. Skagit Valley College has been blessed with many girls' basketball players from the state of Alaska. With the Alaska exposure camp, we can see so many players in one place. It is an honor to be invited to Alaska to help these young ladies continue playing a game that is a passion for them. I love meeting the girls and getting to know them face-to-face, not on social media or the phone. For these girls, seeing and talking with us makes all the difference in the world, as many potential student-athletes cannot afford a trip down to the lower 48 to visit our schools. Meeting their parents and telling them about our college and how we hope to help their daughter play ball college basketball and obtain a college education is also fun.

COACH DEB CASTLE-HEAD WOMEN'S BASKETBALL COACH-SKAGIT VALLEY COLLEGE

I have been going to the Alaska Exposure College Showcase camp for over ten years, and it is by far the best recruiting event I attend each year. The talent and character of athletes in Alaska are a gold mine. I have been to the final four two years in a row, starting 3-4 Alaskan student-athletes. They have carried our program, and if not for the Alaska exposure camp, I wouldn't have known about their ability. I get to meet and talk with players, families, and coaches all over Alaska. I've built some great relationships in Alaska because of this event, and I will continue to come and evaluate Alaskan talent because it is accurate and helps win championships. This is a 5-star event!
