

I am directing the **5th Annual Hoosier Gym Coaches Clinic**, held at the historic Hoosier Gym in Knightstown on August 26-27. I would like to share this clinic with as many coaches in Indiana as possible. We have a fantastic line-up of coaches speaking and all sessions use Indiana University East players for demonstration. I am attaching a flyer that you can share in email or Social Media. Also, here is a discount code for an extra 10% off. The code is Early22 - here is the link for coaches to register and information to send a check as well.
