Information, Dates, etc.:

Hamilton Heights is seeking interested teams to participate in a round robin or tournament for the 2022-2023 season. Saturday Dec 3, Dec 17, Dec 21, and Dec 23 are possibilities. Depending on interested teams and needs will determine details. We are flexible.

Also, we are still looking for games to complete our schedule. This would include participating in any tournaments (Thanksgiving or prior to Christmas timeframe if possible) or regular season games. If you are looking for teams to complete your tournament, let us know.

We'd also be interested in a game at Hoosiers Gym in Knightstown, IN. If this appealing, reach out and let's see if we can find a date.

Thanks,
Coach Cherry
