Lakeland High School is searching for our next Boys' Varsity Basketball Coach. Lakeland is located in LaGrange, IN, is a member of the Northeast Corner Conference, and beginning next year, will be the largest school in class 2A.

Our new coach will inherit a boys' basketball program that won 17 games and an NECC conference title this past season. We have just one graduating senior, four returning starters, and over 25 boys in the high school program.

We are searching for a coach with the knowledge and experience to build upon the momentum currently in the program. We are also looking for a coach with the passion and energy to organize and strengthen our youth and junior high programs in order to continue the winning culture that has been established at the high school level in the last few years.

Teaching positions are available and can be discussed during the interview process. Interested candidates should apply at this link. [Coaching Application](#)
