

Plymouth High School has started its search for a Head Boys Varsity Basketball Coach. We return our leading 3 pt FG shooter, top rebounder, 2 of our top 3 leading scorers and a bulk of our minutes from last season. We are looking for a positive/passionate leader to continue to grow our program into the future. We will be aggressive in our timeline to ensure a productive month of June and help the chosen candidate begin as soon as possible to build for success during the 2024-25 season and beyond.

The timeline will be as follows:

Posted: 5/15

Contact Candidates for Round 1: 5/27 or 5/28

1st Round Interviews: 5/28-6/4

2nd Round Interviews: If needed as soon as possible upon the completion of round 1.

We look forward to finding the right candidate that is excited to help continue the growth and success of the Pilgrim program. Thank you for your time and consideration. Please reach out with any questions you may have.
