

**2025 7-8th Grade  
Indy Spring School Ball League & Tourney**

Coaches,

We look forward to hosting our 7/8th grade league again! For the last few years, this has been a great opportunity to get our 7/8th grade teams playing together for another month after their school season. There will be both North & South side indy area schools hosting and we will do our best to limit your travel. Please reach out with any questions.

**Schedule:** 3 double header weekends + League Tourney

**Dates:** February: 16, 23, March 2 + 9 (Last week 2-game guarantee league tournament)

**Cost:** \$300 for individual team, 2+ \$250 each

**Location:** Multiple Host Sites - Will have north and south side host opportunities. Will most likely only have cross travel for the league tournament on March 9th.

**Teams:**

School ball teams only.

**Scheduling:** We will work alongside you to build a schedule that is most convenient for your program. Will work with requests to the best of our ability.

**Contact & Register:**
