

CHOICES

We all have five choices in life:

We can choose to be **BAD**

We can choose to be **AVERAGE**

We can choose to be **GOOD** Probably gods expectation for whatever ability he gave us.

We can choose to be **EXCELLENT**

We can choose to be **ELITE** everybody has a choice of what they want to do and how they are going to do that

To be **EXCELLENT** or **ELITE** you have to be willing to do special things:

You have to have special **INTENSITY**

You have to have special **FOCUS**

You have to have special **COMMITMENT** and **DRIVE** and **PASSION**

You have to do things at a **HIGH LEVEL** and **HIGH STANDARDS** all the time

It doesn't matter what god given ability you have, that can probably make you good. Without the rest of it I am not sure you ever get to **EXCELLENT** and **ELITE** and that is the part you should be trying to get to.
